In Memoriam

Her Majesty Queen Elizabeth II

1926 - 2022

Welcome to the September Newsletter

What a month September has been - a new Prime Minister, the sad passing of Her Majesty Queen Elizabeth II, and we have a King once more in King Charles III.

Many of our members, myself included, took on the challenge of waiting in line for hours to pay our respects to The Queen - and a worthwhile experience we all found it.

With the passing of The Queen we have entered into a new age - we are no longer Elizabethans but Caroleans. Our outlook should remain to Adopt, Adapt and Improve in the new Age, as much as we and our predecessors have done in the past.

Here are some statistics about our great Association to put it into perspective:-

RTBI currently has 2,750 members.
These are spread amongst 321 clubs.
124 members joined this year and 40 left.
The average age is >36 years old.
714 are over 42.

I can't give you the average age of 41ers because we don't have that information, but I can tell you that we presently have 12,907 members in 682 clubs. Well almost - because this members figure is based upon the number of members in each club (or the declared ones anyway) so if someone is a member of 5 clubs, he will be included 5 times in that figure. To eliminate this overcounting we should deduct say 350 from the total so that would bring us down to 12,557 members (so let's say, 12,500).

To better serve that declining membership we need to carry on Adopting and Adapting and Improving to serve our membership and our movement properly.

Keep safe.

Yours in Continued Friendship and Continued Tabling,

**Don Mullane, National Communications and IT Officer
London Old Tablers' Society**

NATIONAL PRESIDENT JIM CONWAY

*Upon the death of H.M. Queen Elizabeth II, I issued the following statement via Facebook:-
I am sure we have all been impacted hard upon hearing the news that Her Majesty has passed away.
Having reigned since 6th February 1952, she has served the Country selflessly for just over 70 years.*

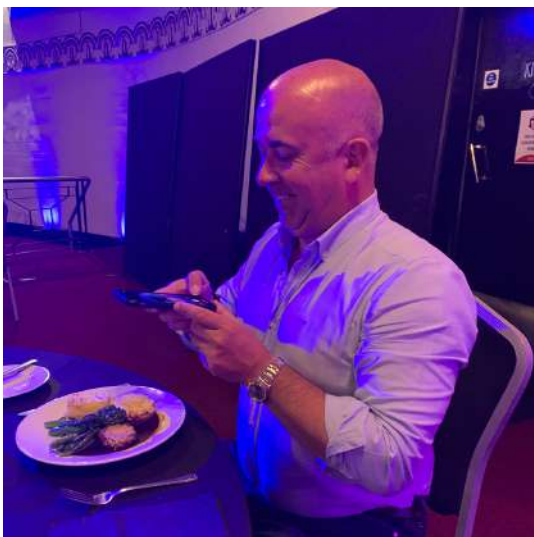

For many, she is the only monarch we have known.

*41 Club will be following the appropriate mourning protocol
and I will be sending a message to the Palace on behalf of the Association.*

I am sure that the whole of 41 Club will join me in passing on my condolences to the Royal Family.

Unsurprisingly, July was hectic.

An evening with the London Old Tablers Society in the Army and Navy Club was followed by a mad dash up the M1 to Leicester for a lunchtime food tasting for my President's Ball at the Athena. My PLC Chairman, Richard Holland likes to think of himself as a foodie, regularly attending Michelin Star Restaurants and taking pictures of the food he finds amazing. If you haven't booked in, here is a picture of Richard taking a picture of the food, a ringing endorsement indeed.

The Fellowship of this club is second to none, so I was delighted to accept an invitation to Showtime 41 Club, a Club which consists of the organising committee of the Eastbourne Conference Team along with the two President's Martin Green and Karen Durie. Hosted by the amazing Richard Dyson who arranged Chinese chefs to produce a Chinese Banquet. An amazing day made even more special, because it was my first 41 Club Conference. Being presented with a block of feta cheese (cheese of the devil) did however earn him a telling off!

On a rare Saturday off, I managed to get down to Brentford to witness the mighty Bees crush the mighty Manchester United 4-0. I have been supporting Brentford since 1968 and I never thought I would see this day happen... Apologies to Red Devil Fans... Pontus Jansson the Brentford Captain agreed.

The following week was spent in Scotland a fantastic long weekend arranged by 41er extraordinaire Kevin Stewart. Visiting Edinburgh, Dunfermline, Callandar and the Scottish Regional Golf Day. Supporting Kilsh and Sue as they did an open water swim in Loch Tay for Heather Parry's charity, Re-Engage. Sightseeing Harry Potter's Bridge and the James Bond Skyfall Road and finishing off with a visit to the Edinburgh Tattoo, quite simply breathtaking.

Then it was the long drive down to Norwich. I met up with Des Fulcher and Dominic Price for lunch and then a special unveiling of a photo of Louis Marchesi at what is now Cinema City and what was the site of the first Round Table meeting in 1927. It was an honour to do the unveiling with Niels Marchesi, the grandson of Louis.

The next day, along with Steve James we visited RAF Marham with North Walsham 41 Club. An amazing day seeing F35's take off and standing next to an atomic bomb. One of the many one offs that you experience with 41 Club and many thanks from Kelly for the invite and organising such a great day.

Ash & Emily Gardner who walked from Marchesi House to the Ukrainian Embassy raising thousands for The Ukrainian Apoel couldn't attend as our guests at conference in Cardiff, so I arranged the next best thing and that was hosting them in Moneypenny's, my private James Bond Bar and our gin bar, 'The Legless Arms,' as a thank you for what they achieved.

The month ended with a great night out with Region 11 and 12 enjoying a cluster evening organised by Rory Tompsett and Steve Tasker. The Brew House in Chester was the venue and a brewery tour followed by a beer and burger night was fantastic. It certainly is the way forward, so please contact your Regional Rep, who would be more than happy to set one up for you.

Jim

Jim's Latest Challenge and an Appeal for Assistance from Scottish 41ers!

As the blistering heat of summer gives way to the cooler climes of the autumn, I am very much looking forward to the Round Table Family Scottish Football Stadium Challenge that is starting on 11th October at Ross County and finishing at Annan Athletic around 36 hours later. How can you help?

- Joining me on this quest are the President's of Round Table, Ladies Circle and Tangent. Is there anybody that can home host one or all of us on the evening of 10th October near Ross County FC where we are starting the challenge?
- Is there anybody that can home host one or all of us near to Annan Athletic FC where we are finishing exhausted at the end of the challenge around 36 hours later?
- Can you encourage your Table, Circles and Tangents to meet us at the grounds as we complete this marathon visit and turn up with media to promote the four clubs and/or donations for our charities.
- If you want to be part of the World record bid, then why not drive a leg or two or three and join the World Record Beating Team.

Please either phone me on 07708 949339 or e-mail me at President@41club.org if you can help or need more information.

Yours in Continued Friendship & Continued Tabling,

Jim

41er Stan Holmes celebrated his 102nd Birthday!

Stan was born in Bingley in 1920 the only son of Ben and Ethel. He went to Bingley Grammar School and when he left school he went to work for Midland Bank near Yeadon. He met Hilda his future wife in Bingley.

He volunteered to join the RAF at the start of the war. During his time in the RAF he worked on the repair and maintenance of Spitfires. He was mostly based in the UK but travelled to Berlin towards the end of the war. He went to the Reich Chancellery.

He returned home to Bingley at the end of the war and married Hilda in 1946. They had one son John Stephen. Stan went back to working for Midland bank after the war working in Bradford and Leeds. Stan was a member of Roundtable in Bingley. We don't know if he joined 41 Club in Bingley but he joined Wakefield 41 Club when he moved there in 1969. Hilda was a member of Wakefield Tangent.

He was appointed Manager at Normanton branch with Midland Bank which was then taken over by HSBC. Due to his promotion to Branch Manager at Normanton he moved to Sandal Wakefield in 1969 where he lived until very recently.

Stan and Hilda spent many years travelling visiting South Africa and North and South America. In 2000 they started cruising which they enjoyed enormously and Stan was last cruising in May of this year.

Stan and Hilda celebrated their 70th wedding anniversary in 2016. Hilda sadly passed away in 2017 after a short illness. Stan continued living at the same house looking after himself with very little support. He was a keen user of the internet and this enabled him to remain independent as he did all his shopping including food and banking on line.

Stan celebrated his 100th birthday in July 2020 and despite Covid restrictions was able to have an enjoyable party and received his birthday card from the Queen. He had a lovely party at the care home a few weeks ago for his 102nd birthday.

Stan was a keen amateur photographer and visited various organisations showing slide shows of his many travels. He is a big fan of Frank Sinatra and the big band sound music genre.

Unfortunately in early June he fell at home and as a result he realised he was no longer able to live on his own at home and moved into a local residential home. He has had a couple of falls since but manages to bounce back. He appears to have recovered well from a half hip replacement at 102! It is hoped he will be discharged back to the care home fairly soon.

Belated Happy 102nd Birthday Stan, from all of us!

Photos of Stan Holmes on his 102nd Birthday!

Our Honorary Webmaster, Mark House, is stepping down and Applications are invited

Mark has done an exemplary job as Honorary Webmaster. Going forward National Council is looking to appoint instead an Honorary I.T. Officer who would be an IT Professional who would administer the Association's whole IT infrastructure, on a voluntary (i.e. unpaid!) basis. The job description should be agreed in the near future but we are inviting expressions of interest now. Anyone interested please contact me, Don Mullane, at comms@41Club.org and I will explain the role in more detail.

Coming in Next Month's Newsletter A Report on the 2022 Club Cruise

Applications are invited for the role of Honorary Solicitor for the Association

Our Honorary Solicitor, David Smith, has announced his intention to retire from this position with effect from the 2023 Annual General Meeting in Jersey, after five years of service to National Council. We are grateful for the advice and assistance that David has given to National Board and Council in this period, and we are now seeking to replace him. We are inviting applications from suitably qualified 41 Club members to take over this position as from the 2023 AGM.

What the role involves

1. Advice to National Board and Council on the interpretation of Constitution, Rules and Standing Orders.
2. Assistance with drafting changes to rules in the form of resolutions for the Annual General Meeting.
3. Advice and support to National Board in situations giving rise to actual or potential litigation.
4. Advice on contracts entered into by the Association with outside parties.
5. Any other legal or constitutional advice as requested by National Council, individual Councillors and Clubs in furtherance of their activities.

What we are looking for

The Board invite applications from members of 41 Club who have legal qualifications and experience of the legal profession. Previous experience of National Council would be an advantage, as the post holder would be expected to have a sound understanding of 41 Club constitution, rules and standing orders.

The Honorary Solicitor would be a non-voting member of National Council and expected to attend National Council meetings. Weekend allowance and travel expenses can be claimed.

So, you think you fit the bill?

Send a message to Bernard Elwen, National Secretary secretary@41club.org setting out your legal qualifications and experience, your Round Table and 41 Club career, and why you think you would be an asset to National Council. Please submit by 30th November 2022.

For more information, contact David Smith, whose contact details are on the 41Club website here: <https://41club.org/pages/solicitor-contact>

Larbert & Falkirk 41 - My Name'5 Dottie

Larbert & Falkirk 41 Club were delighted to hand over a cheque for £9,000 to the **My Name'5 Dottie Foundation** at the iconic Kelpies, taking the total raised for good causes since 2017 by the 41 Club to an incredible £69,466.

The charity **My Name'5 Dottie Foundation** was set up by former Scotland rugby player Dottie Weir and a group of trustees in 2017 shortly after he was diagnosed with Motor Neurone Disease. Dottie has been driven to help fellow sufferers and seek ways to further research into this, as yet, incurable disease. MND is a disease which affects the motor neurons of the nervous system. It is life shortening and mostly progresses rapidly. The charity's vision is "a world free from MND." The number 5 is a special number for the Foundation, featuring in it's name and is a reference to Dottie's playing number for his clubs, Melrose and Newcastle Falcons, and the jersey he wore when he earned his 61 caps for Scotland.

Larbert & Falkirk 41 Club held a successful fundraiser at the Dobbie Hall in Larbert in May with 240 people attending. Entertainment was provided by the Abba tribute group Voyage and magician Elliot Bibby. Chairman for the 2021/2022 session Mark Northway said *'We would like to thank everyone who has supported us to put on this event. It was great to see so many people enjoying themselves while raising money for a worthy cause and one that has touched my own family. The members of the Club were astounded by the final amount raised, much more than we had anticipated.'*

Phil Lauder
Larbert & Falkirk 41 Club

Norwich News

By Des Fulcher
Alpha Knights 41 Club

This story began, writes Des Fulcher, when I discovered that some plans to redevelop part of the very building where the first official meeting of Round Table was held, which included two separate rooms upstairs being named in honour of key historic figures relative to the building - Firstly the Colman Sisters who funded a lot of the early years of the building which included Suckling Hall, then secondly Louis Marchesi.

Part of the redevelopment plans included a fundraising appeal for shortfall of monies for the project, which I personally made a great deal of effort to engage 41 Club with and Richard King of Norwich RT1 led the way with Tablers in the UK and some International groups too. Whilst the loft of this historic building was being cleared an original signed photo of Louis Marchesi was discovered, the venue suggested it could be auctioned to help raise funds, though I conjured up a better plan to create 50 high quality limited edition prints to ensure the original could remain in the building.

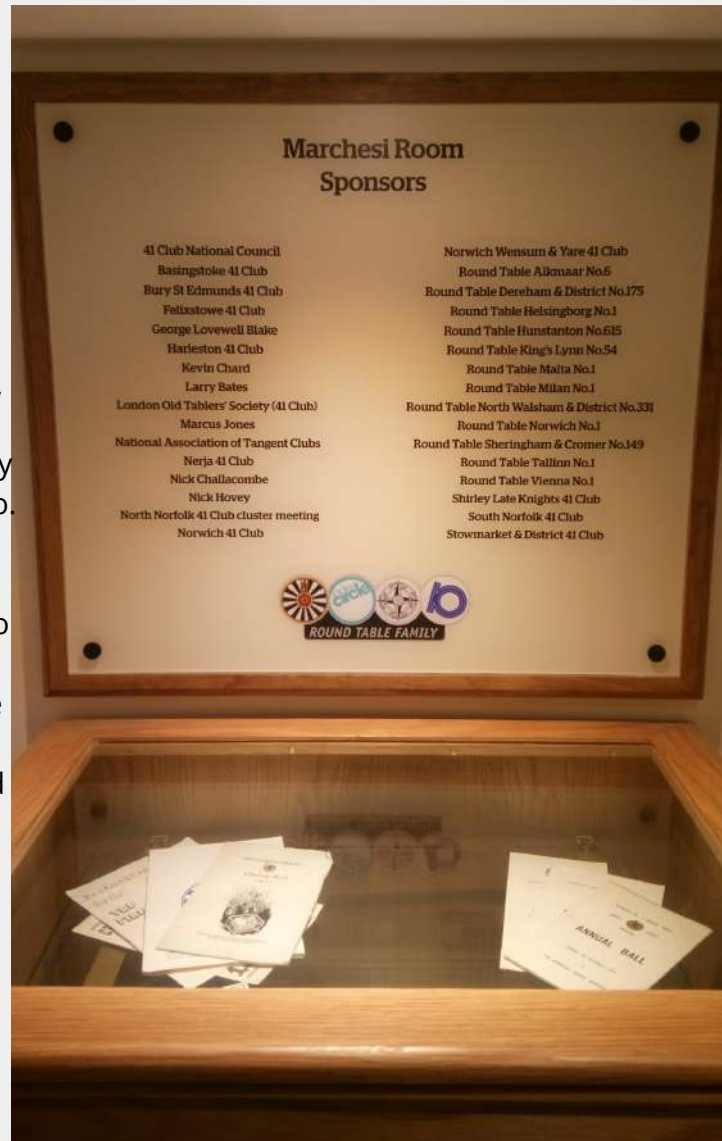

Designers of the new Marchesi Room interior restricted anything being fixed to the walls, the only compromise made was to afford the bespoke cabinet on the stairs with a plaque to acknowledge clubs or individuals who donated £250 or more to the project, leaving the original signed photo without placement.

Despite more dialogue with the venue and Norwich City Council (who own the building) things ground to a halt, then the pandemic emerged which gave further cause for concern to discover where the photo was and what could happen if Cinema City doesn't continue operating there.

A few weeks back I popped in to tidy up the Round Table Family display cabinet, as luck would have it I met the new Manager Justin Holmes who was eager to re-engage with our organisation - the immediate response was to see if the original photo could be put in the Marchesi Room, which as we now know has finally happened!

Some of the people I would like to mention/thank in this story are: Cinema City Manager Justin Holmes, 41 Club National President Jim Conway, former Lord Mayor of Norwich David Fullman and everyone who supported the Marchesi Room Project.

Round Table Family organisation clubs worldwide are welcome to ask for an informal tour of the key areas in Norwich relative to Round Table being founded, and as ever encouraged to consider sending smaller items of memorabilia to consider adding into the Round Table Family display cabinet.

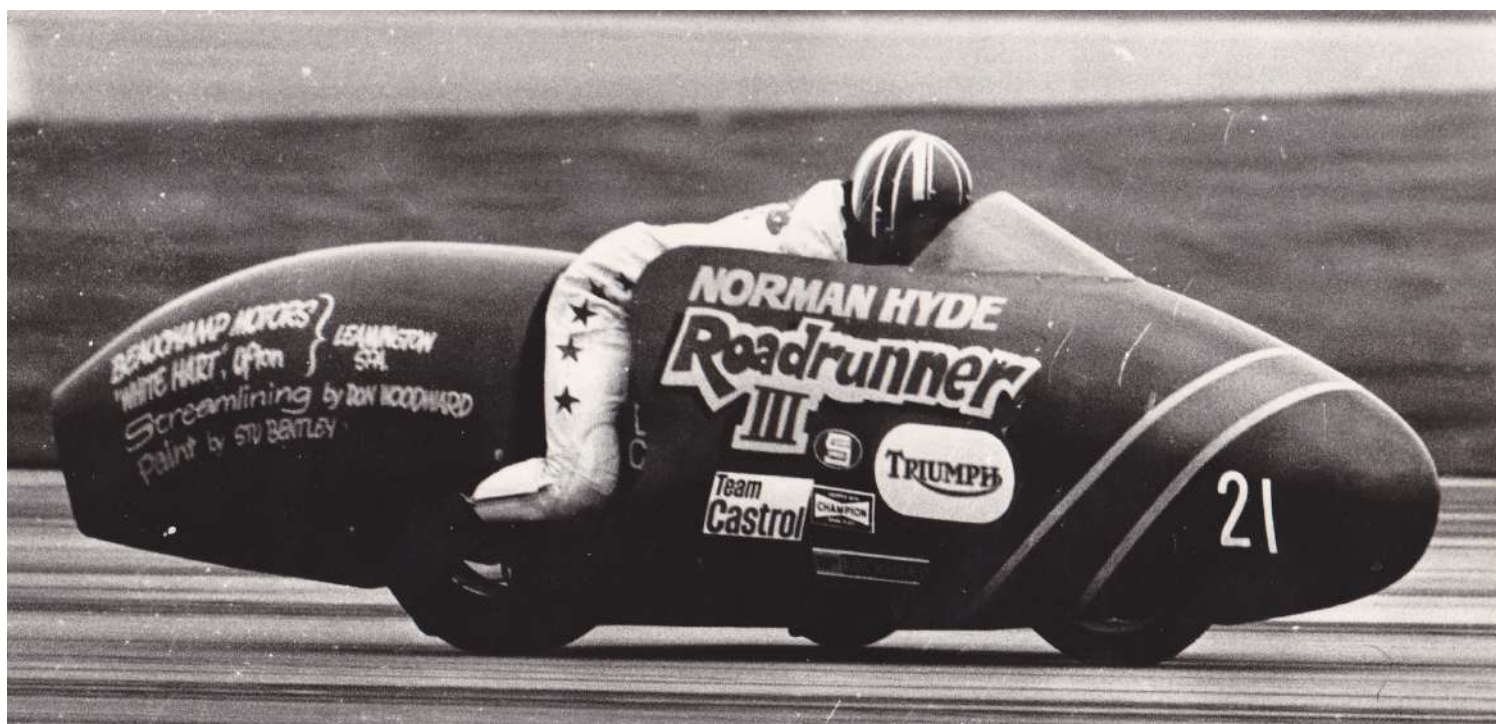

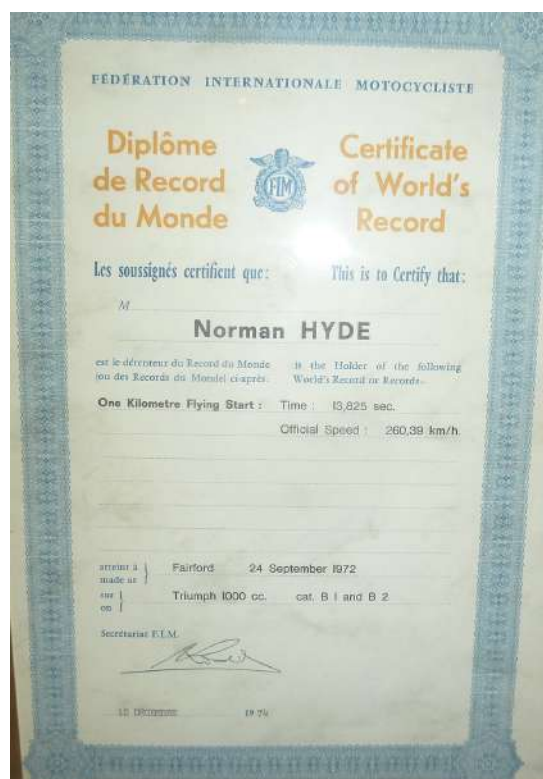

The National Motorcycle Museum celebrated the 50th anniversary of 41er Norman Hyde's Record Breaking Triumph Sidecar Land Speed Record

On Saturday 24th September, the National motorcycle Museum celebrated the 50th anniversary of Norman Hyde's land speed record on his Triumph Roadrunner III outfit.

Hyde captured the World Sidecar Land Speed Record in 1972, driving his home-built Roadrunner III to an average speed of 161.8 mph at RAF Fairford - a record that remained unbeaten for over 35 years. Norman worked as a development engineer at Triumph's Meriden factory at the time and used his experience to uprate the Triumph Trident engine that powered his outfit, enlarging it to 831cc and adding a supercharger.

Roadrunner III was added to the National Motorcycle Museum's collection in the 1980s, but was one of the hundreds of machines that was severely damaged when fire tore through the building in September 2003. Fortunately the bodywork, handmade in aluminium by Don Woodward, was in storage at the time and survived. The bike itself was painstakingly restored by Don's brother, John, and Roadrunner III is now on permanent display in the Museum.

Norman's anniversary coincides with Triumph's 120th jubilee celebrations and he was at the Museum - 50 years to the day the he broke the record using their engine. The Triumph Owners' Motor Cycle Club organised a ride-in, with a concours competition for their bikes judged by Norman. He gave a talk about his death-defying high speed ride on three wheels, followed by a question and answer session. He will signed original Triumph postcards, made to commemorate the achievement, to raise funds for Prostate Cancer UK.

Steve James, National Vice President

During August, 41 Club duties tailed off a little but as a "plane geek" I was delighted to be asked to attend North Walsham 41 Club's visit to RAF Marham organised by Kelly Clarke. It was a thoroughly enjoyable day starting with a talk from the station's warrant officer about the history of Marham and its squadrons, followed by a visit to the heritage centre and a full tour of the base with the highlight of the day being able to observe some F35 lightnings carrying out manoeuvres. As Norfolk is a long drive from Wales, Karen and I took a few days holiday staying with Kelly and Shirley exploring Norfolk and spending a day on the Norfolk Broads.

At the beginning of September, I deputised for President Jim at the World Half Year meeting in Odense, Denmark. It was pleasing to see National Councillors Colin and Jason in attendance as well as IRO Andy and Comms Officer Don. For the first time at a world meeting 5 workshops were held on the Friday whereby I attended "Leadership in 41 club" and "Running successful world meetings", whilst the GB&I rep attended the other workshops. I also held individual meetings with the Tangent International President and Secretary and also the Agora Vice President to discuss arrangements for our hosting of the World meeting in Stratford in May 2023. It was pleasing to receive recognition on the Saturday for the work I have been undertaking in drafting an International conference manual which was presented to the International President and VP a couple of weeks prior to attending the HYM. The Half year meeting was very productive with a number of resolutions on changing the rules being voted on, which will be tabled at the World meeting next year.

At the end of the month Karen and I attended the 41 Club caravan and camping rally which was attended by 71 41 Club and Tangent members. The event was excellently organised by Richard and Anne Dyson with assistance from Ringwood 41 Club and Tangent members who provided the special entertainment in the pool on Saturday which was truly remarkable. It was great to catch up with regular rally goers and also meet some newbies. I would certainly recommend members attending any of our National Fellowship events because the fun and fellowship are second to none to members.

In relation to the World meeting that we are hosting, the programme has been finalised and it is all "systems go" as bookings start coming in. I would certainly recommend attending an International event and anyone who wishes to know more about Stratford details can be found at www.world-meeting.net

Jersey 2023 --- 30th March to 2nd April 2023 **See conference/41clubevents.co.uk**

I hope you are keeping well, also very importantly you are happy and enjoying life. Getting together with friends and family to enjoy their company enhances our wellbeing and belonging, the inability to do this during pandemic lockdown was a major frustration which I hope is now fading into our distant memories. What better than looking forward to than getting together with your 41 Club & Tangent friends in Jersey next year!

My thanks to everyone who has booked to attend 2023 Conference next year, even 10-months before 2023 Conference bookings are substantially exceeding expectations. Bookings have already exceeded 2/3rds of our planned numbers, with more being sold every week. By late Summer / early Autumn we expect bookings will reach our venues maximum capacities. I am pleased to report the following news and updates:

Single Night Bookings: In response to requests from some delegates we have made single event Friday & Saturday evening functions available for £100 / person, these can now be booked on the 2023 Conference website here: www.jersey23.41clubevents.co.uk/.

Before going to Checkout: If you want to pay a £50 deposit for 3-Day and 2-Day packages please ensure you select this option before going from home page to either view Your Basket or going direct to Checkout. Balance will be deducted from your debit / credit card on 1st December 2022.

Adding Items to your Conference Booking: To book additional items please go to 2023 Conference website, select which additional items you want to purchase, go to Checkout and enter your Name, Email address and in the Phone field enter your original booking reference number. This will ensure we link your additional items to your original order. In subsequent fields copy & paste "As before", but please ensure you complete the "Dietary", "Mobility" and "Seating" fields with any requirements you have specific to the additional items you are booking. After completing purchase of your additional booking you will receive an email confirming your booking for the additional tickets.

If you experience any issues with booking for 2023 Conference please contact Lance Kiddie, Registration Officer, by calling 07797 720180 or by emailing him at registration-jersey2023@41clubevents.co.uk, when he will be pleased to help.

Travel to Jersey: Airlines are releasing their flight schedules much earlier than previous years. Easyjet released their Spring 2023 schedules middle of May flying to Jersey from Gatwick, Luton, Manchester, Liverpool, Glasgow and Belfast. Blue Islands have not yet released their flight schedule for next year, to be notified subscribe to their Newsletter here: www.ebtk.co.uk/sub/14985/217. Condor Ferries expect to publish their Spring 2023 sailing schedule around middle of July this year.

Merton Hotel Bedrooms: Merton have enough bedrooms to accommodate everyone attending 2023 Conference. We are aware their Central Reservations Team (Merton Hotel is part of the Seymour Hotels Group) did suggest to a few persons no bedrooms were left available, this was their internal misunderstanding which has now been rectified. So please call them on +44(0)845 800 5555, advising you are attending 41 Club & Tangent National Conference to book your bedroom.

Jersey Conference 2023 *continued.....*

Wednesday night before 2023 Conference and additional nights after 2023 Conference can also be booked for special rate of £100 / double bedroom including breakfast.

If you have not yet booked for 2023 Conference as the saying goes, don't delay the early bird gets the best choice worms! To ensure what you want is still available please book now, rather than later when we might well have sold out. I look forward to welcoming you to Jersey in 2023 when we will provide you with another great fun National Conference to remember.

Yours in Continued Friendship,

Paul W. Harding

Round Table Children's Wish

Handcrafted wishes for children with life-threatening illnesses

The National President's Charity for 2022-2023

Want to join me in making a difference?
I'm raising money to benefit
Round Table Children's Wish Limited,
and any donation will help make an impact.
Thanks in advance for your contribution to
this cause that means so much to me.

More information about Round Table
Children's Wish Limited:

It is a very small charity that grants
handcrafted wishes to children who are
suffering from life threatening illnesses
across the UK.

The children we support are between
the ages of 4 and 17,
and are suffering from illnesses such as
Brain Tumors, Leukemia, Cystic Fibrosis,
Muscular Dystrophy, organ failure and other
degenerative illnesses.

**You can donate on-line
AND with the benefit of tax relief
at <https://www.gofundme.com/f/41-club-national-presidents-charity-20223>**

**You can help by buying a copy of Jim's Joke
Book on Amazon using the link below,
available in Hardcover at £19.99
Paperback at £9.99
and Kindle at £7.99

THE PRESIDENT'S JOKE BOOK

So what is Wider Wallet?

Wider Wallet is an exciting discount site, providing **41 Club** members with free access to hundreds of savings on top brands, services, supermarkets, online stores, events and attractions.

Boost your spending power

with discounts on supermarket shopping, high-street stores, DIY, motoring and family finance.

Maximise your leisure time

with special offers on theme parks, travel, eating out, experience days and family outings.

Improve your wellbeing

with relaxing spa breaks, gym discounts and great value health insurance.

What's on offer?

Online discounts: Discounts are available on a wide range of websites. In some cases you will need to quote a discount code when you checkout, whilst in other cases you will be directed to a site which has already had a discount applied. Instructions are shown each time you access an offer.

Reloadable cards: Save money on everyday shopping by purchasing discounted cards for your favourite stores. The reloadable card(s) will be sent to you by post and you can then top them up with a credit or debit card, by phone or online. The discount applies every time you top up, so for every £10 you top up you'll receive more than £10 on your card.

Discounted gift cards: Save money on traditional gift cards or e-gift cards by buying them at a discount to face value. We recommend ordering several vouchers at once or combining your order with reloadable cards.

Downloadable vouchers: Some of our suppliers provide downloadable vouchers, which you can print. Downloadable vouchers are most often used for leisure activities, such as theme parks and days out.

Cashback: We've teamed up with TopCashback to provide you with access to some fantastic cashback offers. Simply register with TopCashback through Wider Wallet, then use the TopCashback website to shop online. Your cashback will be credited to your TopCashback account and you'll also receive an introductory bonus for registering through Wider Wallet.

Competitions: We love to give back to our users, so we work hard to source some great prizes. Lucky winners have received prizes including: fitness watches, smart speakers, holiday vouchers, tickets to top UK attractions, family passes to popular theme parks and cinema tickets.
