Welcome to the October Newsletter

Lest we forget.

This is the October Newsletter but the November one will come out towards the end of the month, long after Remembrance Sunday, so I think its only right to say a few words on it here. I have commemorated Remembrance Sunday in various ways over the years - as a Scout Leader I have led my Scouts through the streets of my home town in Beckenham to our War Memorial for our local commemoration. Prior to that I had the honour as Chairman of City of London Round Table 13 to take part in the Round Table delegation at the Cenotaph, in Whitehall; and last year I had the honour of being part of the 41 Club delegation at the Cenotaph. Next year I hope to be at the National Memorial Arboretum, which I haven't attended yet. (Why not this year? Because this year I shall be at the re-chartering of RT13 Graz in Austria!)

This month I have put the Winter Magazine to print - it should be hitting your in-box in the next few days, and your door mats for those who want a hard copy in the next few weeks. We brought the Winter edition forward this year in order to do a special joint edition with Tangent.

President Jim has been setting a new World Record with the other RT Family Presidents (or their stand-in as the case might be).

And that brings us nicely to this 51-page Newsletter.

No rest for the wicked though - our intrepid 41 Club explorers reached Everest Base Camp this morning. I don't want to delay this issue of the Newsletter to report on it but you will have a full report in the November issue. they have all done magnificently and deserve your support for their charitable endeavours. Do spare a thought for Marcus Jones, their number 1 cheerleader who had intended to be part of the party until it was delayed first by Covid then on his part by surgery. We know your heart was there Marcus.

Keep safe.

Yours in Continued Friendship and Continued Tabling,

NATIONAL PRESIDENT JIM CONWAY

September was an incredible month packed full of activity. An Online Board Meeting, then a visit to the Moreton in Marsh Show (The largest outdoor one day show in Europe) where Glen Lyon showed off his hairy car that he was driving to Barcelona for Round Table Children's Wish, my Presidential Charity.

It was then off on the 41 Club Cruise with Fred Olsen. 40 odd 41ers, Tangent Members and partners sailed out of Liverpool and off to Iceland and the Faroe Islands. It was a mix of drinking, eating, being entertained, doing shore excursions and just relaxing. Fred Olsen offer fantastic discounts for 41 Club members and if you are interested, contact Kelly Clarke our Fellowship Officer for further details. Our next cruise is a French River Cruise and the joy of departing from a UK port is that you are not restricted by the airline baggage limits.

On our trip around Iceland, the one and only Barry Durman, the 41 Club International Vice President swore blind he did not fall asleep, but he exacted his revenge on the main staircase of the Borealis a little later.

As soon as we finished the cruise, it was off to Heather Parry's Charity Lunch in Baildon, where we were entertained at Hoyle Court. A fabulous afternoon amongst friends.

The Month was nicely rounded off with my attendance at the National Camping and Caravan Weekend. Whilst I don't own a caravan and having experienced an evening under canvas last month, we decided to opt for a static caravan, which we shared with Steve James and Kelly Clarke and our wives. Trips, walks and entertainment was brilliantly put together by Richard Dyson and the Ringwood team. Richard won the President's Tie for the best contribution by a National Councillor to the Association.

As well as celebrating Kevin Stewart's belated 50th Birthday on board, we managed to visit the beautiful scenery around Iceland as well as visit the Hard Rock Hotel in Reykjavik.

All FORE! One: St Neots retain the Claret Jug to win the 2022 41Club National Golf Tournament

by Peter McBride - National Membership & Round Table Liaison Officer

Another excellent weekend of the three golfing 'F's - Fun, Fellowship and 'Effing bunkers' was enjoyed by all the golfers at the Annual National Golf Tournament at Staverton Golf Club & Hotel in Daventry on the 2nd & 3rd October.

The weather behaved itself, and the picturesque parkland Championship Course threw up some challenging but fair tests for everyone.

Sunday held the main event, where the format was a best three of four-ball Stapleford scores with both team and individual prizes.

National President Jim Conway saw all the teams tee off in the morning and joined us again in the evening for dinner and to present the prizes.

Congratulations to the winners from last year St Neots 41 Club who pulled out all the stops and played some great golf in retaining the Claret Jug to see off all other teams from across the Association. Well done to Colin Arber, Justus Leddin, Richard Thomas and Paul Smith for posting a winning total of 118 points.

St Neots - the victors (retained the trophy)

The Runners Up - a super team from Dereham, Sheringham & Cromer 41 Clubs

Runners-up were the combined team representing Dereham Sheringham & Cromer 41 Clubs, made up of Stuart Bizley, Graham Howe, Richard Turner and Philip Moy - who scored an impressive team total of 110 points.

The Individual Trophy went to Stuart Bizley who for a 41 Club trophy scored a very appropriate 41 points! Runner up in the individual competition went to Paul Smith with 36 points.

Stuart Bizley, Individual Winner.

Tim Brown - lanterne rouge.

Brentwood 41 Club - Winners of Day 2

The other prizes for day one were Richard Thomas for the Longest Drive and Tony Cramp of Shirley Late Knights won both 'Nearest The Pins'.

A special 'lanterne rouge' prize was awarded to Tim Brown of Shirley Late Knights - a book titled "501 excuses for a bad tee shot"!

On the second day, a more fun version of the stapleford format was played – 'Orange Ball Double Points'. Each team was given an orange ball which they rotated between members and any points scored by a player with the orange ball scored double. If or when the orange ball was lost, the chance for double points was lost – such is life!

The winning team on day two were Brentwood 41 Club with their players Tony Clark, Gordon Selfe, Graham Twine and Peter McAllister who posted an awesome 144 points. Runners-up were the team from Dereham Sheringham & Cromer Clubs with 134 points.

The remaining prizes for day two went to Graham Twine for the Longest Drive, with the two Nearest The Pins being won by Justus Leddin and Gordon Selfe.

Thanks to everyone who attended - it was a great event which was enjoyed by all golfers, regardless how they scored.. Personally, I'm sure the course was right-handed, which was clearly the reason why I didn't play well myself – well, as the organiser I couldn't win my own competition could I!

Do you have golfers in your 41 Club? Why not enter a team next year? Watch out for details soon.

DATE FOR YOUR GOLFING DIARY

Round Table Family sets a New World Record for fastest visit to every football ground (40 of them) in the SPL

Jim Conway, set off from Ross County Football Club on Tuesday 11th October on an attempt to set a World Record for the fastest time to visit the home grounds of all 42 Scottish Professional Football League clubs. He was joined in this by Heather Parry, Tangent National President, Fiona Bull, Ladies Circle National President, and Wynn Parry, NCLO and Region 6 National Councillor (and Heather's husband) who stepped in to represent RTBI when Matt Fallon, RTBI National President had to withdraw due to work commitments.

Jim was raising funds on behalf of his national charity, Round Table Children's Wish (which I'm sure you are all aware is a charity dedicated to granting handcrafted wishes to children and young people with life threatening illnesses across Britain and Ireland). Heather and Fiona were each collecting for their respective charities.

Did they get around all 40 grounds (four clubs ground share)? Of course they ended when they arrived the next day at Annan Athletic Football Club, after **25 hours and 32 minutes**.

Jim thanks everyone who supported them on this great undertaking. The highlights for Jim included meeting the clubs who came out to support them with donation cheques, and meeting Paul Thompson the IPNP of RTBI (accompanied by his wife Nicola) who drove up from Hartlepool to greet Jim and the others for 10-mins at Hibs' ground in Edinburgh, before driving all the way home again; and being stopped by the police in Govan!

That last comment is best explained by Jim's subsequent Facebook post:

Just been stopped by the police in Govan...

Apparently the car was going to be lifted as we had been seen engaging in suspicious activities in Edinburgh last night with a gentleman from the North of England...

When Wynn started to explain what we were doing and then dropped Paul Thompson's name into the conversation he was put under caution and read his rights...

The car occupants were equally stunned and disappointed that we were not going to be able to finish the journey...

Then he said he could either arrest us or let us off because we were members of the Round Table Family...

Nicely played by Andy Thorne with his cap pulled down so we couldn't see his face...

*I think it is the first time a car called a policeman a b*****d and then leapt out of the car to give him a big hug...*

Twining Over The Years - Adopt, Adapt, Improve

The Round Table Families from Market Harborough and Halle are in their 7th decade of Twining with each Club visiting the other every alternate year. Over the years it has ebbed and flowed but because we have been able to Adopt, Adapt and Improve we are still going strong. But would we survive not meeting since 2019 because of the pandemic??

The 60s

The first mention we can find of Twining is in our Round Table minutes of 4th May 1963 when it was suggested we invite Tablers from Brussels Round Table for a weekend of Fellowship. Obviously, geography was not a strength for the Tablers of Market Harborough because the Belgian Round Table was in fact in Halle, 20 kilometres south of Brussels - thank goodness they also speak English!!

We know Halle Round Table (17) also had a connection with Wolverhampton Round Table (17), so it looks like it was a "numbers game" but we can't find any details - is there anybody out there who can help us?

The first get together was in May 1964 when 8 Round Tablers from Halle, 4 with their wives, visited Market Harborough and as the original Round Table minutes say "The Saturday evening May 16th will take the form of a Dinner and Dance at Springfield Lodge (price 15/-)"

The 70s and 80s

Market Harborough was no different to the rest of the country - we had a very strong Round Table and Ladies Circle and so did Halle. So, each year would regularly see large numbers of visitors crossing the Channel by ferry to have great weekends together.

There are around 80 people in this photograph from 1976, and quite a number are still in Market Harborough 41 Club and Tangent today.

And it wasn't all serious. Whispering Grass from two Market Harborough Round Tablers and the Belgians winning at football (again).

The 90s and the Noughties

Whilst the number of Tablers around the country was levelling off and then declining, Market Harborough Round Table was still going strong and some of our older Tablers were now making a name for themselves in 41 Club. The relationships that 41ers had built up over the years with friends from Halle meant there were sufficient numbers and enough enthusiasm for both Round Table and 41 Club to have separate Twining weekends.

Twinning Over The Years - continued/...

Here's the Market Harborough 41 Club and Tagent crew in 2005 – we finally won the football cup back!!

And here's Market Harborough and Halle Round Tables at Round Table's Area 45 (Midland Shires) Hi Tiddle event in 2007.

And Halle Round Table will be coming along to next year's Hi Tiddle which Market Harborough Round Table and 41 Club are organising.

The Teens

Numbers ebbed and flowed in both Clubs and there were one or two years where we didn't meet up. So, we decided to bring everybody from Market Harborough and Halle together to have a "Big Bang" 50th Twinning Anniversary celebration in 2014 in true style with a 60s Anniversary Party.

Over 80 people (including Dave Campbell who was 41 Club National IRO at the time and his wife Pauline) came along and we had such a great time that Twinning weekends continued with all the Round Table Family Clubs meeting up. And then came Covid 19.....

The 20s

So, how would we shape up once we could all get back together – and would we get back together?

There aren't as many of us as before and the mix is different – it was largely Market Harborough 41 Club and Tagent and Halle Round Table and Ladies Circle - but the 2022 weekend in Market Harborough brought back all the Fun and Fellowship we have enjoyed over the years. The crowning glory was 40 of us enjoying dinner followed by a Silent Disco – a new experience for some of us but what a hoot!!! If you haven't done a Silent Disco before, try it, its great entertainment. You can either dance to the music only you hear or watch others waving their hands around in silence.

If you've never tried International and want to dip your toe in the water, now's your chance. In May next year, 41 INTERNATIONAL is coming to Stratford-upon-Avon. Give it a try – you'll have a great time and make lots of new friends from around the world.

Our Honorary Webmaster, Mark House, is stepping down and Applications are invited

Mark has done an exemplary job as Honorary Webmaster. Going forward National Council is looking to appoint instead an Honorary I.T. Officer who would be an IT Professional who would administer the Association's whole IT infrastructure, on a voluntary (i.e. unpaid!) basis. The job description should be agreed in the near future but we are inviting expressions of interest now. Anyone interested please contact me, Don Mullane, at comms@41Club.org and I will explain the role in more detail.

Applications are invited for the role of Honorary Solicitor for the Association

Our Honorary Solicitor, David Smith, has announced his intention to retire from this position with effect from the 2023 Annual General Meeting in Jersey, after five years of service to National Council. We are grateful for the advice and assistance that David has given to National Board and Council in this period, and we are now seeking to replace him. We are inviting applications from suitably qualified 41 Club members to take over this position as from the 2023 AGM.

What the role involves

1. Advice to National Board and Council on the interpretation of Constitution, Rules and Standing Orders.
2. Assistance with drafting changes to rules in the form of resolutions for the Annual General Meeting.
3. Advice and support to National Board in situations giving rise to actual or potential litigation.
4. Advice on contracts entered into by the Association with outside parties.
5. Any other legal or constitutional advice as requested by National Council, individual Councillors and Clubs in furtherance of their activities.

What we are looking for

The Board invite applications from members of 41 Club who have legal qualifications and experience of the legal profession. Previous experience of National Council would be an advantage, as the post holder would be expected to have a sound understanding of 41 Club constitution, rules and standing orders.

The Honorary Solicitor would be a non-voting member of National Council and expected to attend National Council meetings. Weekend allowance and travel expenses can be claimed.

So, you think you fit the bill?

Send a message to Bernard Elwen, National Secretary secretary@41club.org setting out your legal qualifications and experience, your Round Table and 41 Club career, and why you think you would be an asset to National Council. Please submit by 30th November 2022.

For more information, contact David Smith, whose contact details are on the 41Club website here: <https://41club.org/pages/solicitor-contact>

VOLUNTEER APPLICATION

Your Association Needs You!! Would you like to be a National Councillor?

There are a four Regions within our Association that are currently not represented by a National Councillor, these are namely:

Region 7 - Greater Manchester

Region 8 - Lancs & Manx

Region 19 - London Chilterns

Region 24 - South West London

I have previously asked for volunteers to step forward for these vacant regions but as yet no-one has. If you would now like to apply for one of these vacancies, please contact me at Councillorliaison@41club.org

In addition to these vacant Regions, at the AGM due to held in Jersey in April 2023 another five regions will have their National Councillors completing their terms of Office. These are namely:

Region 4 - North East

Region 6 - Yorkshire

Region 10 - East Midlands

Region 13 - South Wales

Region 20 - Thames Valley

In December, I will be contacting all members of the above regions to ask for volunteers to fulfil these roles.

Upon appointment the National Councillor's duties include:

- The role of the National Councillor is to be the conduit between National Council and the Clubs within the Region for which the Councillor is appointed, sharing information in both directions
- Visiting 2 clubs within the Region per month in addition to attending his own Club meetings
- Attending 3 out of 4 National Council Meetings, usually in July, October, February and at the AGM in April
- A National Councillor will typically be appointed to one of the committees headed by are member of the Board, these are: Forward Planning, Comms & IT, Membership, Finance, Fellowship, International, and Admin. These committees undertake projects/tasks/initiatives to improve and enhance our Association.

I have a National Councillors handbook which describes the role of the National Councillor in more detail. If you are interested in applying for the role of a National Councillor, please contact me at Councillorliaison@41club.org

Wynn Parry, National Council Liaison Officer, Region 6 National Councillor, Yorkshire

The 41 Club 2022 Club Cruise to Iceland & Faroes

On the 5th September, 47 Members of 41 Club & Tangent Clubs set sail from Liverpool on the SS Borealis, travelling to the coastlines of Iceland and the Faroes for 11 nights. We left on a cool, grey day knowing we were off on holiday, with wonderful times ahead and beautiful places to visit. Accompanied by many members we already knew, we knew we would have a great holiday and would make more friends along the way.

Not being keen on sea travel, I was unsure as to how much I would enjoy the 1217 nautical miles journey (1400 miles) but I didn't need to concern myself. We were very lucky with most of the sailing being reasonably calm, apart from the middle of one night when it did get a little bumpy shall we say!

Stuart & I had decided to book several guided tours, covering six out of the ten days we were at sea. These were optional and some members chose to do their own thing. On previous holidays we have booked guided tours which have been superb, as they have taken us to places, and parts of a country, we may never have seen without a guide. It has to be said that Iceland is not a cheap destination but having agreed that we may never go again we went for it.

Our first tour, on day 4, was to Reykjavik for the Golden Circle 8.5-hours tour. Whilst much time was spent on the coach, we saw such beautiful scenery, with lots of photo opportunities and a good soaking if you got too close to Strokkur, a fountain-type geyser located in a geothermal area beside the Hvítá River, and the stunningly beautiful Gullfoss waterfalls. The following day started a fraction later with a tour of panoramic Reykjavik, our first stop being at the Hallgrímskirja church, whose unique design was inspired by the basalt lava columns. We continued with our rather damp bus tour until we reached the home of the Icelandic President, where the Icelandic flag was at half-mast, our wonderful Queen having passed away only the day before.

Day 6 was spent at sea, sailing 558 miles from Reykjavik to Akureyri. Day 7's scenic tour was hampered slightly by the damp conditions but once we arrived at Laufas Regional Museum the drizzle was forgotten. Laufás turf house now belongs to the National Museum of Iceland and is run by the Akureyri Museum. What a remote, yet beautiful little place to visit. We returned to Akureyri, completing our tour with visits to the church and Nonni museums; it was like going back in time. Day 8 was somewhat more energetic, after all it was a hike. However this wasn't quite what I had envisaged, as it was steeper than I thought, so having made two thirds of the hike, I ducked out and left Stuart to complete the adventure. Apparently I had just as good a view of Hengifoss waterfall from the seat I found, so why challenge yourself unnecessarily!

Day 9 and we have arrived in Klaksvík, The Faroes, where we took a guided hike to Klakkur Summit. A different day altogether – beautiful sunny blue skies, warm sunshine, less of an incline with easier paths and wonderful views of the spectacular landscape of the neighbouring islands of Eysturoy, Kallsoy and Kunoy. Day 10 in Torshavn for the Streymoy Sill Hiking didn't go quite to plan, so our guide re-routed our walk, which was a shortened version across fields, hills and streams, and still very pleasant until the rain caught up with us for the last five minutes.

The days at sea soon passed as there was always something happening – music, talks, quizzes, wine tastings – Stuart & I did two of these, for those who know us you will not be surprised by that. This was our first sea cruise and we were impressed with what the Fred Olsen experience had to offer. We shall definitely sail with them again the future. Plus, we enjoyed the company of 'old' 41 Club and Tangent friends, as well as making some wonderful new friends. We enjoyed great times, with excellent company, and brought home some lovely memories.

Yours in Continued Friendship,

Jane Bizley, Dereham Tangent 791, NATC Executive Administrator 2022-2024

41 Club Camping & Caravanning Weekend Ringwood 2022

by Ken Banfield

It was Friday 23rd September and we were off to Hampshire to meet up with other intrepid folk from 41 Clubs and Tangents across the country. We were looking forward to a couple of days in "Archie", enjoying what the 41ers of Ringwood had in store for us.

The venue for the latest in the series of National Camping and Caravan Weekends was the Shamba Caravan Park. By chance we had previously stayed at the next-door campsite so we had a clear idea of where we were going. That in itself is fairly unusual.

The signage from the road to the site had been thoughtfully positioned leading us straight to the venue. We were greeted by cheery folk in bright orange stripey blazers who directed us to our pitch. A large section of the campsite was dedicated to 41 and Tangent. We were told that 70 souls would be on site at the peak time. So it was a big do then!

After a quick bit of caravan levelling and filling of water tanks we had the espresso machine purring.

We registered and picked up our document pack, which listed attendees and gave us helpful information about local services. That was supplemented by the well stocked tent of walking & cycling maps & routes, and a route finder for birds in the New Forest. The essential quiz sheets were there too.

We fixed our name plate into Archie's window and wandered over to the meet and greet. There we played the "I know that face now what's his/her name" game. Thankfully that was made easier by the thoughtfully provided name stickers.

Richard welcomed us all and Nat. Prez. Jim echoed the sentiment. After "helping out" by the munching the tasty nibbles and chatting with people we hadn't seen for a while or even at all, we were approaching our time slot for the Fish and Chip supper. It was nicely prepared and served from an adjacent van, their great reputation was certainly thoroughly deserved.

We noted that the main body of our group were now at the bar in the clubhouse. What we had not bargained for was the Karaoke which is very much a "marmite" thing. After a few had been downed however, the microphone appeared in the hands of various 41ers who did little for the original songs but did manage at least to follow the on-screen words but not necessarily in the right order or in time with the music.

We retired to Archie but not before checking out the bacon roll serving times for the Saturday morning. We slept well and the bacon roll did not disappoint. We were then ready for another full day.

Saturday saw some of the campers take a guided walk around Salisbury. It started at Old Sarum, north of the city, from where Henry II ruled and kept his wife, Eleanor of Aquitaine, under house arrest.

The original Salisbury Cathedral was built here and having viewed the ruins, the group proceeded into the city to see the rebuilt Cathedral.

They were also treated to a beer in the oldest pub, The Haunch of Venison, built in 1320. It is the most haunted pub in Salisbury, is in its original state, and has a replica of a severed, mummified hand, as found in the pub walls. All very spooky !

We took the "at leisure" option and paddled our toes. It was a beautiful sunny morning with just a few wispy clouds and the beach at Boscombe with its soft sand was just perfect. After the initial thermal shock, the water was lovely and we enjoyed the short seaside excursion.

Returning to Shamba we checked our programme to see that we had a fairly early start to the evening's activity. We were however a bit puzzled by the instruction to meet at the swimming pool without reference to swimming costumes. We had heard about events like that but did not think it was the sort of thing that went on in Ringwood.

Once inside the pool we noticed James Bond references and soon the sound of his theme tune was coming out of the speaker. There was a hush across the audience as a group of swimsuit clad people emerged slowly from behind the life-sized James Bond image. All were wearing red swim hats and bow ties and clutching guns as they rounded the pool before entering it. Everyone managed creditably not to show the shock of meeting the water on their smiling faces.

They performed a synchronised swimming routine which was wonderfully choreographed and involved a lady being held above the water as a spectacular finale.

Our entertainers retreated gracefully to the changing room leaving everyone clapping and cheering. Richard Dyson mentioned that it was about 15 years ago when these same performers first carried out the routine as an "interruption". The Ringwood team were not all camping which made it more remarkable that they performed again for us campers.

The swimming pool is adjacent to the Clubhouse. As we left its chlorinated atmosphere our nostrils picked up the waft of the Hog Roast which with accompanying salads and potatoes was to be our evening meal. The orderly queues were served with lashings of the tender pork that had been cooked for us.

Desserts followed which gave us the fortitude needed to enjoy the rest of our evening's entertainment. That was provided by the Dorset Troubadour who was part folk singer and part poet.

His songs covered a range of subjects starting with Grumpy Neighbours, His dislike of the dualling banjo scene from the film Deliverance and finishing with a song about a deep-fried tarantula burger that did not sound at all appetising. We all enjoyed him.

Until the Troubadour's last song we had had exclusive use of the clubhouse. Then the Karaoke resumed. National President Jim and others (you know who you are) seemed unable to resist and so a good time was had by all - the singers. We drifted back to our caravans having had a most wonderful time as only 41 and Tangent members can.

Then it was Sunday morning, already our last day. We had signed up for Boule whilst about 20 others including Kelly Clarke and Tangent VP Shirley Chard had gone on a 4.5 mile walk with from Picket Hill to Burley with Wynn Parry. Well it said it was 4,5 miles on the O/S map that Ann had given to Wynn but along the way a few "corrections" probably added a bit more distance

Whilst all this was being organised it was time to Wake up with Kerrie a gentle Pilates session to prepare for the day ahead.

Marking our Balls

A vacant gravel caravan spot had been marked out as our Boule pitch and we formed 2 teams of 4 players. The boules were marked up with a felt pen which became very important during the game. Trying to identify which boule is closest to the Jack when the patterning on each boule is similar could otherwise have been impossible.

The larger stone size than is usual for the gravel petanque courts did produce some unusual bounces (my excuse). The team scores fluctuated with the losing team at the beginning catching up only then to be pipped at the post. The result was unimportant as we all had a great fun time.

Sadly we had to leave the event early missing the final get together which included a recital by Ann Dyson and her ukulele band and of course the tea and cakes preceded by the playing of the outdoor giant sized games that had been set up for us.

As we left early we had less chance than we had hoped for to say a proper goodbye to our friends new and old. More importantly to thank the Ringwood 41 and Tangent team especially Richard and Ann Dyson for a superbly well organised rally.

It is also worth mentioning that you don't need to own a caravan or tent to take part next year. Several 41ers had hired their caravan and there were also those that were able to find accommodation in static caravans adjacent to the site. Keep an eye open for the 2023 date the event is due to be held in Devon so be there if you can, you won't regret it.

I have gathered with help from Richard a few photos of the attendees which should give readers a flavour of the great fellowship enjoyed over this weekend. I have also nicked his parting salutation – "Keep your Thetfords clean" which is indeed wise advice.

Steve James, National Vice President

Since my last newsletter article, we have held our quarterly 41 Club Board and National Council meetings which preceded Jim's Presidential charity ball. Our Council meetings and National Councillors are key enablers to moving our Association forward and we have a great set of people who are passionate for the future of 41 Club. After 2 full days of meetings, it was great to let our hair down at Jim's James Bond themed ball held in the iconic Athena building. The entertainment was first class and it was great to see so many people who I haven't seen for a while. Well done to everyone involved for organising an excellent event.

I am taking the opportunity this month to visit a number of local 41 Clubs in South Wales and at the time of writing this report have so far attended Mumbles 41 Club with National Councillor John Bell. If anyone happens to be visiting South Wales I would highly recommend checking if Mumbles have a meeting because their meeting venue, Mumbles Yacht club has to have one of the finest views in the country and they are excellent hosts where the fun and fellowship at the meetings are second to none.

We are now half way through the 41 Club year and preparations for my Presidential year are "beginning with earnest". I am fortunate to have a great group of individuals on my Presidential Liaison Committee who are making sure that everything is in place and the year runs as smoothly as possible. Following Jim's presidential ball, I am pleased to announce that my charity ball will take place on Saturday 1st July at the Hilton Hotel Cardiff, I guarantee everyone who attends will have a warm Welsh welcome. We have some great entertainment lined up and tickets can be purchased by visiting <https://stevejames.wales/>

If anyone wishes for me to attend a function or club meeting next year, bookings can also be made by visiting my website.

Yours in Continued Friendship & Continued Tabling,

Steve

Jersey 2023 --- 30th March to 2nd April 2023 See [conference/41clubevents.co.uk](https://www.conference/41clubevents.co.uk)

On the first weekend of October I attended Jim Conway's Presidents "007 James Bond themed" Ball in Leicester. What fun that was, really enjoyed getting off my little rock to the "mainland" (how we refer to UK in Jersey), the evening was extremely well choreographed by Vicki Carter-Bland, and I had the pleasure of surprising many there who were not expecting to see me! Some thought I was a secret agent aka 007 sent over to find out how you party!

What a party it was with really great entertainment – Bond girls gyrating in over-sized champagne glasses, blindfold man axe throwing to his lady assistant ringing a bell for the target (which he always seemed to be two feet away from, good job the axes missed her), fire juggling extraordinaires and we now know how Jim travels – with Vicky hidden in boot of his car. Sorry, you probably won't understand that if you weren't there. As Jim said to me afterwards "Beat that next year!" which I must admit gives us a big challenge which we will rise to accomplish, for your entertainment during 2023 Conference.

To update you about 2023 Conference I am pleased to report the following:

Travel to Jersey: Blue Islands have now released their flight schedules for next year flying to Jersey from Exeter, Birmingham, Southampton, Bristol and East Midlands. If you are coming from further up north Easyjet are probably your best option flying to Jersey from Liverpool, Manchester and Glasgow. It's also worth looking at Loganair for more options from up north, such as Newcastle.

You will have to wait longer for Condor Ferries Spring 2023 sailing schedule, although instead flying to Jersey is strongly recommended. If you want to stay longer to explore our beautiful Island you can hire a car instead of suffering the 4-12 hours sea crossing at an uncertain time of year, weather-wise. Or use our bus network going to all corners of Jersey from Liberation Station.

Jersey Airport & Merton Hotel Transfers: Please note you can book Jersey Airport to Merton Hotel minibus transfer anytime from Wednesday 29 March 2023, and return transfer from Merton Hotel back to Jersey Airport any day and time after Conference ends, if you will be staying longer. These are much cheaper than hailing a taxi from Airport or Merton hotel.

To book your transfers or any optional extra Friday Excursions, 41 Club AGM lunch, or Tangent Day Afternoon Tea go to 2023 Conference website here [jersey23.41clubevents.co.uk](https://www.jersey23.41clubevents.co.uk), select which additional items you want to purchase, go to Checkout and enter your Name, Email address and in the Phone field enter your original booking reference number. This will ensure we link your additional items to your original order. In subsequent fields copy & paste "As before", but please ensure you complete the "Dietary", Mobility" and "Seating" fields with any requirements you have specific to the additional items you are booking. After completing paying for your additional booking please look out for an email confirmation for the additional tickets, which maybe in your Spam folder or otherwise mislaid.

If you experience any issues with booking for 2023 Conference or have not seen 41 Club Events website automatic booking confirmation and payment receipt after you completed your booking please contact Lance Kiddie, Registration Officer, by emailing him at registration-jersey2023@41clubevents.co.uk, when he will be pleased to assist or provide confirmation your booking has been received and your payment made.

Entertainment: I am delighted to let you know we have booked a fabulous tribute act for Saturday evening function. I'm not letting on which group they faithfully recreate, one of the biggest worldwide groups in the 1980's amassing many hits. You will enjoy the tribute's excellent reproduction which will bring back many happy memories from yester-years.

If you have not yet booked for 2023 Conference as the saying goes, don't delay the early bird gets the best choice worms! To ensure what you want is still available please book now, rather than later when we might well have sold out. I look forward to welcoming you to Jersey in 2023 when we will provide you with another great fun National Conference to remember.

Yours in Continued Friendship,

Paul W. Harding.
