NUMBER 65, AUGUST 2015

GREAT RESPONSE TO MEMBERS' ON-LINE SURVEY

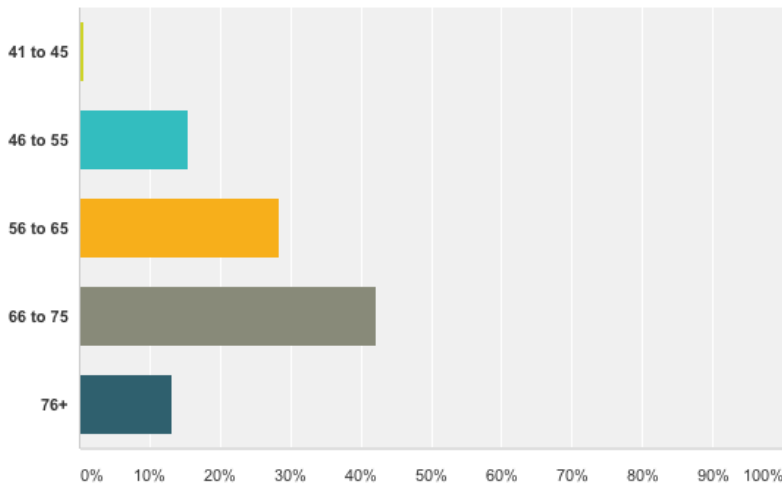

Four weeks ago we contacted all members for whom we have an email address and asked if they would participate in an on-line survey to help us plan the future of 41 Club. This is the first stage of the exercise, promised at the 2015 AGM, to consult members and clubs as to where they want the club to go in the future.

Previous attempts at club questionnaires had received poor responses and it was thought that we may receive a limited response this time. How wrong we were! As I write this newsletter we have received just short of 1,800 completed

surveys and the number is still growing daily. Many thanks to those that have completed the survey but we would still like to receive more opinions. The survey is completely anonymous and consists of ten questions. Completing the survey takes less than 10 minutes.

Which age group are you?

Answered: 1,724 Skipped: 49

On the left you can see the current analysis of question 1. It shows that the largest group of respondents are in the age group 66 to 75 and confirms the general feeling about the age profile of 41 Club.

We definitely need more input from the younger age groups.

The survey also dispels the often quoted belief that those over a certain age do not use PCs or the Internet. Over 13% of responses are from members 76 or older.

We will keep the survey open for another two weeks so if you have not completed it already then you still have the opportunity to help influence the future of 41 Club.

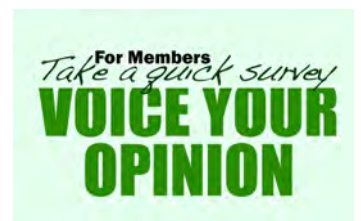

Once the survey has closed the data will be analysed and used as the basis for discussions with a selection of clubs that have volunteered to attend a workshop and will be made available to all members.

My thanks also to those members that have volunteered to participate in future more targeted surveys. If you would like to be added to this group then please send your name and email address to comms@41club.org.

HUGE FOLLOWING ON OUR NEW WEBSITE

Since the launch of our brilliant brand new Website (www.41club.org) in January, we have been carefully monitoring its success and I am pleased to report that things are looking really good!

Although our membership is over 45 and in many cases a lot more than that, it is encouraging to see that the largest number of visits (60%) come from the 18-34 age group. This proves its worth in looking for potential members from Round Table. It also means that 41 Club is being looked at by many people of all age groups.

Of the 2,607 visitors 88% come from the UK, the rest are spread around the world. Interestingly there were nine visitors from China!

Our old site was visited 52 times a day – our new one is attracting 137 visitors a day – a massive improvement. In all during the first six months it was visited 21,189 times!

Even more encouraging is that we have 37 potential new members as a result of them filling in the 'Want to Join?' section on the site.

www.41club.org is a very powerful website. It allows Clubs to have their own website with the same look and feel as the National site. So far 35 Clubs have set up, or are in the process of setting up, their Club sites. This is a free service and all the tools are in place to make it relatively easy to achieve.

The site is also a mine of information on what is happening and what is needed for running our Association and our

Clubs. If you think we need to add something – please do not hesitate to ask.

However there is always room for improvement! We always lack material as to what you are all doing! If you stage an event that is worthy of mention – just email a short article and a picture to webmaster@41club.org. Nothing fancy is needed, just some text in any format! Most of us have cameras on our 'phones so it's not that difficult! See if you can make the front page with your event! Or perhaps one of your members has done something outstanding or interesting lately – let's let everyone hear about it!

The experts tell us that if you visit a website a second time – and it is exactly the same as when you looked last time – you will not visit it again. We need to keep ours interesting and fresh all the time to maintain and increase our visitor numbers.

There has been much controversy this year over this website, many of it very negative. It's important to believe we have a very powerful tool here that is being visited and used by potential and existing members. Those potential members from Round Table are nowadays very 'Social Media conscious' – so it is important we remain attractive in this area to increase our membership.

Gentlemen, we really do have a real success on our hands here – let's capitalise on it!

Martin Green
National President 2013-2014

ANTHONY NOLAN UPDATE

As we come to closing the fundraising for the President's charity Anthony Nolan last year we can reveal that the total raised by 41 Clubs is £65,634.13p. This is a fantastic achievement and my thanks go to all the clubs and individuals who have bought pin badges, bought calendars, raised money from fund raising events or just made donations. I attended an Anthony Nolan reception in early July and they were absolutely delighted with the figure and support you have shown.

There is one special club I would like to mention here. Larbert and Falkirk 41 Club in conjunction with Falkirk Round Tablers

raised a fantastic £17,576 from their cycle ride from the Falkirk Wheel to Lands End in May. Led by chairman Phil Lauder who was accompanied by 6 other members of 41 Club and 5 members of Round Table they completed the 587 miles in 5 days. A full report and pictures will appear in the Autumn magazine.

Apart from being a fantastic achievement the knock on has been 4 more prospective members for the 41 Club and a strengthening of the already good link between 41 Club and Round Table.

Thank you all so much for supporting my charity.

Jim Smith, National President 2014-15

41 CLUB SALES OFFICIAL MERCHANDISE, PROMOTIONAL PRODUCTS AND CLOTHING

THE PRESIDENT'S BLOG

July has been a busy month and very much centred around classic vehicles. After 13 years off of the road and together with my eldest son we recommissioned my 1949 MG TC finishing it just in time to take part in the 41 Club Classic Car Rally at Shrigley Hall near to Macclesfield. Together with Wayne Faunt, another Clevedon member who owns a Morris Minor 1000 Convertible, we drove the cars up to the Rally to take part in the event and then drove them home again on the Monday a round trip of 508 miles! Other than an oil union nut working loose on the Newcastle Under Lyme Ring Road on the journey up, fortunately noticed by Wayne when his windscreen started to spot with oil, a quick tighten and an oil top up the car ran faultlessly. What a fabulous weekend well done to Ray and Sue Hill for putting on such a super event. In a moment of weakness Lin and I offered to organise next years event in Somerset so my IPP year already has a job planned.

Later in July I visited the Silverstone Classic Car Weekend with my car enthusiast son and although not a 41 Club event I did give my ideas on other events we might do in the future.

2015 is the 25th Anniversary of my charity motorcycle ride from John o Groats to Lands End on a 1927 BSA Sidecar outfit when I was Round Table Area Chairman in 1990. Together with Martin Green and Mike Fitchett, two Past Presidents of the Association, the nine of us that did the event met for a day to reminisce and wonder where the last 25 years have gone!

To round off my "classic month" Bicester 41 Club invited me on a visit to see a classic motorcycle restorer, which again was interesting and just up my street.

Other highlights of my month were launching Woolton, a new 41 Club in Liverpool, a fabulous evening of fellowship made even better by inducting 4 new members on the night! Attending a Sunday afternoon Garden Party with Lin at Westerham 41 Club where Chairman Robin's daughter, Isabella, held a swimming competition to raise money for my charity which we all enjoyed.

Although not a golfer I did have a great day at the South Eastern Region Charity Golf Day well organised as ever by Past National National Councillor Nigel Davis. My charity received a further boost when the winning team from Brentwood 41 Club kindly donated the money they won to the

Stroke Association, thank you guys!

Presenting the charter to Paul Welsby of Woolton 41 Club

Congratulating Isabella Musgrove Wethey on her swim to raise money for The Stroke Association

A walk up Wembdon Hill followed by a BBQ with Bridgwater 41 Club and attending the Region 21 Skittles Final were both great fun. Whilst a call from Tangent President Alex Voller found me Master of Ceremonies in Stratford upon Avon at the Tangent Charity Champagne Tea a brilliant afternoon with all four Presidents in attendance that both Lin and I enjoyed.

Before I close I must mention the main event of our charter year and that's our 70th CHARTER LUNCH on Saturday September 12th at the Armouries in Leeds. If you haven't booked yet then please do so as it'd going to be a fantastic day of true Round Table and 41 Club fellowship and definitely one not to be missed.

August by tradition is always the quietest month for a President so it will give me a chance to take a few days out to get geared up for the already frantic months of September, October and November. However there's still space in my calendar so if you want me to attend your Club, and it doesn't have to be a special occasion, contact me and if I'm free I'll be there.

**Yours in Continued Friendship,
Terry**

LETTERS TO THE EDITOR

Dear members of 41 Club,

I have read the comments by a 41 Club member tonight about the AGM and to be honest I am disappointed in the incorrect portrayal of the demise of Round Table, to that note I wanted to share with you the factual information.

I would also state that my speech to the 41 Club AGM in the afternoon was obviously missed by many, during which I shared the current and future plans and asked the members of 41 Club to stop being negative on a club that the current members are very proud of and working very hard in every community.

I would also like to state my disappointment at the fact in the notice and agenda for this year's AGM there was reference "to the demise of Round Table" by a past president.

Round Table is fitter, leaner and stronger, more than ever before.

Why you may ask?

The results are due to the action we have taken over the last five years, we have a clear strategy which seems to be falling on deaf ears. It is the perception of 41 Club members that we are failing because of the "in my day attitude", maybe if members of 41 Club who think Round Table was in demise actually introduce members to Round Table we would be thriving even more.

Yes thriving!

I would like to share with the members some of the overarching plans we are currently engaged with.

We are half way through a ten-year strategy and the next 12 months to 3 year plan and our focus is to make Round Table generational.

The plan is structured into three areas;

Engaging with our current members.

We have launched a plan that includes 17 regional members forums this year alone that will engage, educate and encourage, we are using new communications channels, we are working on new channels of communication for example launching RTTV, we have launched round table training academy with a view to get professional accreditation for our members who especially those who stand up to be our chairman.

We have moved forward with a demographic plan of the UK, today we know the 200 towns in RTBI where Round Table will be successful, the demographic report highlights a real strategic plan and question - do we need more clubs or more members and the answer is simple depends on the regions.

We are supporting the clubs who need our help with clear actions supported by a structure change in the board, we now have a new role that supports programme development and a new board role that supports community-an area that is at the very core of what we do.

We now have more support in HQ for our members.

Feeder Clubs for our future members.

Round Table Business Clubs are being created with a view

they will support local businesses by becoming locally famous but more importantly these clubs will be chartered with the aims and objects to support the development of a new generation of members by supporting these clubs with lectures, advice and more importantly signing up to an apprentice program/job board scheme, these clubs will support our plans for growth. Engaging with a new generation that will in the future support all clubs in the future.

We are making these plans, we are investing in the future, we are making a difference.

Business partnerships that will help our members and their families.

The member's benefits project will add value to what our members get for being a member, from education to programme opportunities for today's members, we have contacted over 25 national companies that will add real value, to support our structure we have a new business development manager.

These actions are the overarching plans and there is a belief and determination by all the members and the association has just been awarded "Association of The Year" by the EMA of Round Table International for our strategy work and the fact we have become the market leaders in RTI.

Summary

I hope this clear and concise note paints the correct picture for your members and I would ask anyone who says Round Table is not thriving to challenge those individuals with this article or point them in my direction.

Round Table is changing, our members are joining at a younger age 32 on average today, clubs are growing and there is a belief that Round Table that we are more relevant in the communities of today.

Round Table means different things to different people, for some it will be community for others it will be charity for the most it will be the fun and friendships for life - and we know this and we are celebrating our DNA.

Our members are the "Ordinary Guys Doing Extraordinary Things" for others every day of the year in your communities, tell these members that we are failing, I think your members will get a response that will challenge that.

One final point only 18% of Round Table members are joining 41club - why?...that point I will leave for you and your members to discuss, but I will make one point that I stated above.

Our aim is to make Round Table generational and our members are determined to be in control of their own destiny and that gents is a project I will support with the same determination.

Yours In Table

Marcus Jones

National President

Round Table Great Britain & Ireland

WANTED - YOUR MEMORIES

What are your greatest memories of Round Table and 41 Club?

As part of the 70th Anniversary celebrations we will be publishing, in the Autumn magazine, member's fondest memories of their Tabling experiences. It may have been a major fund raising event, a social event, an overseas visit or just a particular club meeting, We would like to hear from as many of you as possible and especially from the older members.

Just a paragraph will do and photographs will be especially welcome.

Please send your memories to comms@41club.org

We make
memories!

ONLY A FEW WEEKS TO GO – DO NOT MISS OUT!

It's only a few weeks now to go until the greatest celebration in 41 Club of the decade!

WILL YOU BE THERE?

Tickets for our 70th Anniversary Lunch are still available and we know of many 41'ers who regularly support National events who haven't booked in yet!

This promises to be a fantastic day. We have an excellent guest speaker in Martyn Lewis – the Newscaster from the 9 o'clock News and News at Ten, a four course meal with wine and a championship brass band leading us all singing our patriotic favourites such as Land of Hope and Glory and Jerusalem, and of course all the fun and fellowship you always get in 41 Club!

Good food, great company, an excellent sing song, everything to make this a tremendous day out.

IT'S NOT LONG NOW – DO NOT MISS OUT ON THE 41 CLUB EVENT OF THE DECADE!

The 70th Anniversary Lunch is at the New Dock Hall, The Armouries, Leeds, on Saturday 12th September. For more details and ways to book – go to www.41club.org/pages/70th-lunch

Or use the booking form on the next page

HELP US REACH VAUGHAN'S TARGET FOR RTCW

Vaughan had been fund raising for RTCW since he was Round Table Area Chairman in 1995 and focused on the charity since he was Round Table National President in 2000.

He had hoped to personally raise £250,000 for them and the family want to try and do this in his name and have calculated we are close to £200,000.

We are doing several things to achieve this and need your help and support.

We are holding a memorial dinner for Vaughan on 26th September, please come if you can we have a great band and lots of other entertainment planned. If you can't attend but would like to support us we are looking for raffle and auction prizes and sponsorship for menus etc. so the money all goes to RTCW.

Chris is doing the Thames Path ultra challenge and attempting to do the 100k in 24 hours and needs your sponsorship .

We have been given a Round Table pin badge collection from a great friend and this set us thinking, can you donate any spare pins Table, 41 Club, Tangent or Ladies Circle national or international and I will donate one of Vaughan's Round Table jackets and we will do a raffle at events and online at

£5 a ticket.

Can you have one less drink a week during the festive month of December and raise a glass in Vaughan's memory and donate the monies saved to RTCW via myself.

How about running the great south run in Vaughan's memory along with Sean McCormick and others.

I am available to come to meetings talk about RTCW and our involvement with the charity and wishes within about 1.5 hours drive for a donation for the charity.

I am sure one of the above is something you can help us with remember every £1 is a £1 closer to that £250,000 and to raise this in the 25th year would be amazing and give the family a great feeling thinking of all those wishes Vaughan has given the kids

For more details use Vaughan's email or write to me at the address below:

Vaughan41club@aol.com

Jill Harris,
Ambrook, Camden Road, Lingfield, Surrey, RH7 6AF

Vaughan, his family, the Kids and their families Thank You

RUISLIP 41 CLUB 50TH ANNIVERSARY DINNER

Ruislip 41 Club (Region 19) celebrated the 50th Anniversary of their inauguration at Northwood Golf Club on the 23rd June 2015. A total of 55 members from Ruislip and surrounding 41 Clubs were joined by National President Terry Cooper, together with Area 19 Councillor Tom Abbott for a great evening of fellowship and good food. Of the 41 members of Ruislip 41 Club who have taken the post of Chairman in the past 50 years, 19 of those were able to join the evening, some

travelling hundreds of miles to attend.

After the usual round of toasts and speeches by honoured guests and Chairmen past and present, the evening was rounded off by Adger Brown, an extremely amusing comedian, who suitably entertained the members and guests. The only complaints expressed by many of the assembled were that the evening was too short.

Chairman John Clark receives the President's banner from National President Terry Cooper.

Hosted by Ampthill and District 41 Club

41 Club - Classic Car Rally South 19th and 20th September 2015

Following the success of the 2015 Classic Rally recently held at Shrigley Hall we are currently planning another Classic Rally this time to be held in the south of the country in Bedfordshire.

The event will be based around the Cross Keys Public House in the village of Pulloxhill where Ampthill 41 Club have held our meetings for the last 30 plus years.

The event will take place over the weekend of the 19th and 20th of September. The basic plan is to meet at the pub on Saturday morning, visit Woburn Abbey in the afternoon, hold a dinner and social event in a marquee behind the pub in the evening and visit Shuttleworth to see the famous Shuttleworth Collection and Swiss Garden on the Sunday.

Saturday 19th

Saturday morning 10.00 am – 11.30 am meet at the pub for registration and coffee. Cars can be parked in the car park behind the pub which leads onto the old Pulloxhill Cricket Pitch, where we plan to hold a Gymkhana type event. This will involve an obstacle course to be driven in a golf buggy – Classic Cars will not be involved.

Bar meals will be available in the pub over lunchtime.

Saturday afternoon, 2.00 pm, we will leave the pub to drive the 8 miles through the deer park to Woburn Abbey where we plan to visit the gardens.

Refreshments will be available in the Duchess' Tea Room which is situated next to the Gift Shop at the entrance to the Gardens.

Saturday evening 7.30 pm meet at the Cross Keys Marquee for three course evening meal followed by live entertainment. After the meal, rally awards will be presented to the driver who has driven the furthest distance, the car which delegates would most like to take home and the winner of the petrolheads quiz / or the oldest Car ??

Sunday 20th

Sunday morning 10.00 am meet at the Cross Keys for coffee then drive the 12 miles to Old Warden Aerodrome to visit the Shuttleworth collection of historical aircraft and vehicles dating from the first half of the 20th century. We can then visit the famous Swiss Garden, the garden which is 200 years old has recently reopened after a £3.5m restoration. There is an on-site restaurant where hot food and snacks will be available.

Accommodation

We have a separate list of hotels and guest houses within a 10 mile radius of Pulloxhill offering accommodation.

The Costs

Registration (to include rally insignia)	£20 per car
Evening Meal and entertainment	£35 per person
Visit to Woburn Gardens	£5.75 adult £4.75 Concessions.
Shuttleworth Collection & Swiss Garden	£14.50 per person

COMMUNITY SERVICE IN 41 CLUB

Some may be aware that one of the four Purposes and Objects of 41 Club is "To encourage active involvement in the Community". It has always been a debate as to what form that should take and many clubs firmly believe that they did their community and fund-raising bit in Round Table and don't want to be involved any more. Many other clubs do however, decide to do some activities. The photo below of Larbert & Falkirk 41 Club arriving at Land's End illustrates this.

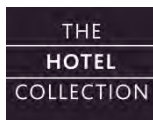

Research done by National Council over the past few years has given a strong indication that "active involvement in the community" is of great benefit to clubs for recruitment of retiring Tablers. All members of Round Table are actively involved in their communities and as they reach that magic age of 45 most of them don't want to stop. A recent survey of Round Tables showed that in the year to April 2015 Round Table raised over £2 million for charities, but not only that they continue to run many other events from Fireworks to Beer Festivals and many other fun events in their communities.

In June this year recognising the importance of involvement in the community Round Table restored the position of Community Service Officer on the National Board and Andrew Simmonds of Bristol Round Table was appointed to the role. At the 41 Club Council meeting in June Council gave the approval to 41 Club developing a Community Service strategy to work in tandem with Round Table. Let me emphasise that this is not in any way a compulsory role for 41 Clubs but purely voluntary. Just looking at the research we believe it is not only beneficial for our communities but beneficial for 41 Club membership, attracting retiring Round

Tablers. A further example of the benefit comes from our colleagues in 41 Club Germany who embarked on this approach some eight years ago. At the time they made the decision they believed the transfer rate from Table to 41 Club was around 25%, which we believe is very similar to that in the UK now. By adopting a CS strategy, and in particular working with Round Table, the transfer rate had risen to 83% last year. Many other International Associations are adopting this strategy.

As Immediate Past President I have taken on the role on behalf of the National Council. I am now looking for clubs, or members of clubs, from different parts of the country to help me in developing a suitable approach to this. If you or your club want to be involved in the discussions please contact me at pastpresident@41club.org. I look forward to hearing from you.

Jim Smith, Immediate Past President.
