WHAT HAPPENS NEXT?

Your application will be formally proposed by Peter McBride, the National Membership & Round Table Liaison Officer at the next available National Council Meeting. It will also be copied to the relevant National Councillor for your Region.

National Council Meetings usually take place in February, April, June and October each year. Your Affiliation will only be complete once the National Council have approved it. After approval at National Council meeting your Club details will then be entered on our Club Administration System (CAS) on our website.

Your affiliation date will be the date of approval by the National Council. Once your details are processed, Peter McBride will contact you to send you your Charter Certificate and give you details about your membership, how to obtain jewels, information you can find on the web site and other important matters. If you decide to hold a Charter dinner, the National President, or if he is unavailable, another member of the National Executive will be happy to come along to an appropriate event to formally present your Charter.

Once affiliated your Secretary will be given access to CAS on the 41 Club website <https://www.41club.org/> and will be able to add or edit members details. It is the responsibility of the Secretary to maintain the records of the Club on CAS whenever they change.

The Monthly National Newsletter is posted to all members who have an email address. The Quarterly National Magazine is posted to members who have indicated that they wish to receive it. It is essential that their postal addresses are maintained accurately.
